Dudley Isaac Lucas

// Fullstack Web Developer

Fullstack developer with 8+ years of experience — including three at Rotterdam agency DotControl, setting up modern bundlers and build tooling, improving web performance and accessibility, and translating high-fidelity designs into production-ready code. Contributed to projects for clients like National Geographic, DPG Media, Priva, APG, Yeaz, SourceUp and more.. Now working as a Freelancer and just started a web studio for businesses in Curaçao.

// experience

Freelancer Fullstack Developer

2024 — now

[Blue Frame Digital · Curaçao](#)

Websites, webshops and ongoing digital management for SME and construction-sector clients — from build to brand identity, content and email marketing.

Frontend Web Developer

2021 — 2024

[DotControl · Rotterdam / Caribbean](#)

Component-driven frontends in React, Vue and TypeScript for National Geographic, DPG Media and SourceUp. Headless CMS integrations (Umbraco, Hygraph) and C# / Node.js backend work, collaborating remotely across international teams.

3D Drafter & Digital Processes

2017 — now

[Solar Gard · Curaçao](#)

3D design of shade structures in SketchUp, building digital calculator tools and AI agents for automated quotes.

Earlier — Construction & Marketing

2008 — 2017

[Ballast Nedam · Hero Media](#)

Carpenter, drafter and site foreman (Ballast Nedam, Hospital Nobo Otrobanda); design and assistant at marketing consultant Hero Media.

build(); // always
